TRU-FRAME®
A name you can build on.

1. PRICING

All prices are subject to change without notice. Prices in effect at the time of shipment prevail.

2. QUANTITY PRICING

Quantity price breaks are available. Refer to each product section for requirements on accumulation and compilation of products for quantity pricing.

3. TERMS

Invoices are due in full at terms agreed upon at time of order. All past due invoices are subject to a charge of 1.5% per month (18% per year) on the past due balance. A past due balance must be paid in full before the next order is shipped unless prior arrangements have been made. If you wish to open an account with us, complete and return the attached credit application. Please allow ample time for processing.

4. ORDERING

When ordering, please supply our catalog number. Orders are accepted dependent upon availability of merchandise; we are not responsible for delays caused by strikes, material shortage or other conditions beyond our control.

5. MINIMUM ORDERING REQUIREMENT

Due to costs of processing an order, all orders are billed at a minimum of \$40.00.

6. CLAIMS

Title passes to the buyer upon delivery of the goods by R. Lang Company to the carrier by law. Therefore, the buyer must file all claims for damage or loss in transit with the carrier. Claims for all defective merchandise or an error in filling an order **must be reported within five (5) working days** after receipt of the shipment.

7. RETURNED ITEMS

Merchandise may be returned only with R. Lang Company authorization. Authorized returns must be made within 30 days of approval and sent to the factory pre-paid. All returns must be in their original packaging and the same condition in which it was shipped. A 20% restocking charge will be imposed on STOCK items, NON-STOCK items will be charged a 40% re-stock fee. Building Codes vary greatly between States and Counties, and R. Lang Company cannot be held liable for knowing a customer's specific regulations or product application. It is up to the builder/contractor/architect to verify products are within compliance before order is placed.

NOTE: Specials may not be returned.

TRU-FRAME®
A name you can build on.

TRU-FRAME®
A name you can build on.

8. BACKORDERS

The R. Lang Company strives to maintain an adequate stock for its customers' needs. The R. Lang Company will ship all items ordered when available, unless otherwise requested. Backorders will be shipped under the same terms and conditions agreed to on the original order from which the backorder resides. Please contact our customer service desk if you don't wish to have backorders processed.

9. SPECIALS

Cannot be cancelled or returned. R. Lang Company will NOT assume any responsibility for errors in phone orders for specials unless a formal confirmation is completed prior to processing the order. Special Order Confirmations are submitted by R. Lang Company and should be reviewed for their complete accuracy, signed, and returned. ANY questions with regard to the order or its confirmation must be addressed prior to R. Lang processing the order. Returns will NOT be accepted by R. Lang for Special Orders, therefore the order confirmation process should be followed with EACH special order. COD accounts can only place special orders when payment is made in advance of the order being processed.

10. R. LANG ROUTE DELIVERY AND SURCHARGE FEES

The R. Lang Company schedules deliveries utilizing its trucking fleet throughout many parts of California, Arizona and Nevada. A surcharge is assessed on all deliveries made by the R. Lang Company. The surcharge, based on the value of all items/orders delivered on one given shipment, is listed below. Surcharge amounts can vary depending on market conditions including current oil/gas prices. The R. Lang Company will give fifteen (15) days advance notification whenever an adjustment to the surcharge amount is required. To determine when delivery is scheduled in your area, please contact your customer service representative.

Minimum Surcharge: 8% of the value of all items being delivered on one given shipment or \$25.00, whichever is greater (see Maximum Surcharge below).
All deliveries will be assessed a \$25.00 surcharge at a minimum.

Maximum Surcharge: At no time, despite the value of all items being delivered on one given shipment, shall a surcharge ever exceed \$90.00.

Note: ALL deliveries made by R. Lang Company are subject to the surcharge amounts as listed above.

Will Calls Only: Will Calls are available at our Visalia, California facility during normal working hours, Monday - Friday, from 8:00 A.M. to 4:30 P.M.
8240 W. Doe Avenue, Visalia, CA 93291

**SHIPPING TERMS
& CONDITIONS**

11. FREIGHT & F.O.B. POINTS

All prices are quoted F.O.B. Visalia, CA. Orders not qualified for delivery (see #10) will be shipped "Common Carrier", "UPS", or "Fed-Ex" (see #12).

12. FREIGHT ALLOWANCES

Orders not qualified for delivery (see #10) will be shipped under the following terms. Orders exceeding the pre-paid order amounts listed below, exclusive of tax, and directed to a single destination will be shipped freight pre-paid. R. Lang Company will select the carrier / method utilized for the delivery when the shipment meets the criteria as outlined. Customer may specify shipping carrier / method only when assuming all associated freight costs directly.

12a. RESIDENTIAL FEES / LIFT GATE SERVICES

The R. Lang Company does NOT cover added 'Residential Delivery' fees and/or 'Lift Gate Service' fees sometimes added by Common Carrier/Freight Service Groups even when order(s) being delivered qualify for Pre-Paid delivery (see #10-12). ONLY the base shipping charge will be pre-paid by R. Lang Company, all other Freight Charges incurred will be billed back to Customer.

Note: In order to better protect products NOT shipping via R. Lang Company's Route Delivery (our trucks), we must utilize added packaging. These packing charges will be added to ANY orders delivered via Common Carrier / UPS (or similar). Due to weight & size restrictions, some items MUST ship Carrier. Your order confirmation will show all expected pack charges.

TRU-FRAME®

CO-OP ADVERTISING PROGRAM - HOME IMPROVEMENT PRODUCTS

PARTICIPATION AND LIMITS OF REIMBURSEMENT

- Subject to the conditions, which follow, the R. Lang Company will pay up to 50% of the cost of local advertising of Tru-Frame® home improvement products and selected other items.
- The R. Lang Company's portion of reimbursement is limited to 2% of the net purchases of the previous year.
- The co-op calendar year runs from January 1 through December 31. Claims must be received by January 31st of the following year to receive credit for the prior calendar year. The unused portion of a customer's co-op fund will not be carried over to the next year.

PRODUCTS

- Products subject to the 50% cost reimbursement.
 - Swinging screen doors
 - Sliding screen doors
 - Security doors
 - Sliding Security doors
 - Roll-Away®
 - Skylights
 - Greenhouse windows
 - SunScreen®
 - Suntex®
 - Replacement window & door hardware
 - Grilles

ELIGIBILITY

- Home centers, retail lumber and hardware stores, glass shops, screen fabricators or other retail outlets, which purchase the above-named products, are eligible.

QUALIFICATIONS

- To qualify for reimbursement, the ad must:
 1. Feature one or more of the products listed above;
 2. Prominently feature the R. Lang Company's logo and name;
 3. Be illustrated by ad slicks provided by the R. Lang Company or approved alternative;
 4. Make no claims that the R. Lang Company does not make in its own advertising;
 5. Include no products of competing companies in the same ad;
 6. Comply with the terms specified under "**Media.**"

MEDIA

- This cooperative advertising program is designed for print media, specifically newspapers, newspaper inserts, circulars and catalogs, and Yellow Page phone ads. Newspapers are general circulation daily, weekly and Sunday periodicals, distributed in the principal trading area served by the dealer, qualify for a second class mailing permit, and have published rates and circulation figures which can be verified. Newspaper inserts are special advertising supplements and inserted into paid, general circulation newspapers. Circulars are direct mail advertisements distributed through the postal service. Catalogs are bound or stapled booklets of quality paper stock distributed for special event advertising. **Alternative advertising must have advance, written approval of the R. Lang Company.** This program does not include in-store advertising.

SUBMISSION OF CLAIMS

SEND CLAIMS TO:
R. Lang Company
Attn: Co-op Ad Manager
P.O. Box 7960
Visalia, CA 93290

- All claims must include a copy of the paid invoice from the publisher of the ad showing date run, advertising rate, and method of rate calculation (column inch, square inch, etc), and a copy of the ad run. For newspapers and newspaper inserts, a full tear sheet is required for each day the ad runs; it must show the name of the newspaper, the date and the entire ad. For direct mail circulars, provide a copy of the entire circular plus Post Office mail receipts or printer's invoice verifying circulation. Production costs are not eligible for co-op credit. Only that portion of an ad, which contains copy directly related to R. Lang Company products, is eligible for co-op credit. **All qualified requests should be submitted at one time before January 31st for prior year co-op fund.**

REIMBURSEMENT

- Reimbursement will be in the form of a credit to the customer's account.

STANDARD PAINT COLORS

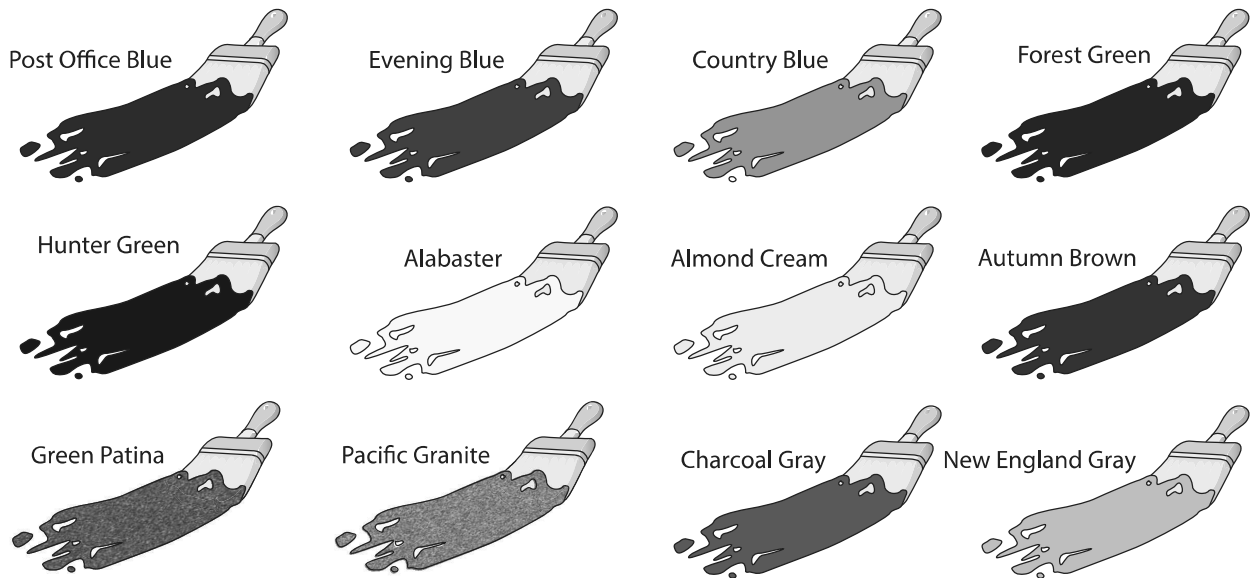

* Statuary Bronze is standard color for Section E Grilles and J-Greenhouse Windows only.

OPENING WIDTHS FOR STANDARD SIZE SCREEN DOORS:

	Hinge Expander Style	Pre Hung Style
Stock Size	Fits Opening Width	Fits Opening Width
30" x 80"	29-3/4" to 30-5/8"	29-7/8" to 30-1/4"
32" x 80"	31-3/4" to 32-5/8"	31-7/8" to 32-1/4"
36" x 80"	35-3/4" to 36-5/8"	35-7/8" to 36-1/4"

NOTE: All doors fit an Opening Height of 79-3/4" to 81-1/4".
See Page 8 for Illustrated Details of Installation Methods.

HOW TO MEASURE OPENING FOR SPECIAL SIZE DOORS:

When ordering **Special Size Screen Doors**, please specify the **OPENING SIZE (OS)** to the nearest 1/8". The standard deductions taken from the opening size to arrive at the **NET SIZE (NS)** are width minus 3/4" and height minus 3/4". This will allow for proper fit of an extruded door.

EXAMPLE:

If the special size dimensions are 38" x 82" Opening Size (OS), the door manufactured will be 37-1/4" x 81-1/4" Net Size (NS).

NOTE: All screen doors are individually shrink wrapped with hardware included.

EXTRUDED FRAME SPECIAL SIZE SCREEN DOORS:

Special size screen doors are available. See page 2 for size limitations on specific models. Add the following set-up charges to the LIST PRICE on Special Size EXTRUDED FRAME models:

Special Width - \$35.00

Special Height - \$35.00

Special Width & Height - \$60.00

Extruded doors come with 3 hinges and a bottom expander with bug strip. Add \$10.00 to List Price for each additional hinge required.

Pre-Hung Z-bar frames are available as a special order. (Call Factory For Details) Specify LH (hinged left) or RH (hinged right) on single doors (viewed outside looking in). **Add \$50.00 to LIST PRICE for Pre-Hung Doors.**

PACKAGING: See Packaging Chart located in "Shipping Terms and Conditions" to calculate Packaging Fees for orders shipping Common Carrier.

RETURN POLICY: Special Order Doors manufactured to the customer's specifications MAY NOT BE RETURNED OR CANCELLED for any reason.

Standard size doors are subject to approval and a restock fee. **No returns after 30 days.**

PET DOORS

Made of heavy duty aluminum extrusions for strength, ease of installation, with a secure closing method. Two way rubber will not freeze, crack, warp or become sticky. Thumb locked closing panel is covered in a white laminate so that pets will know they cannot pass through. No sharp edges and all weather protected with four different colored finishes. Mounts into wooden & aluminum doors, or use with screen door adapter.

SLIDING PET DOOR GLASS PANELS

A complete unit including the pet door, for installation into the sliding glass door or screen door track. Adjusts to fit door height openings from 78-1/2" to 81" tall.

The perfect choice for a condo or home, or for renters who cannot make a permanent hole into the structure. Can be installed temporarily or permanently. Complete with a security locking device.

Closing Panel & Channel Adapter included.

Specials available - call factory for quote.

TRU-FRAME® LEGACY Sliding Screen Door Designed For Beauty, Built To Last !

Strongest Frame Available

With a heavy-duty extruded aluminum frame that measures a full 1" x 2 1/4" x .062", it simply outclasses the competition with its unusual strength. The Legacy patio sliding door was designed to withstand the test of time.

Touch Glide Rollers

Unique, spring-loaded precision steel ball-bearing wheel assemblies have the largest range of adjustment of any door today. Specifically designed to ease installation, they prevent the door from jumping the track while allowing for a touch glide.

Auto-Latch Handle System

An all-new Color-Coded Self-Latching handle ensures the door will close correctly every time, and the locking mechanism makes sure it stays that way. The flush handle set is recessed and doesn't project into the screen area—thereby enhancing your view and eliminating screen wear.

For salt air and harsh weather conditions, an all stainless-steel wheel and housing system is now available for the Legacy patio slider. Finally, wheels that last as long as the rest of the door's components.

The Last Screen Door You'll Ever Need.

G2130
1" x 3/8"

1. **GENERAL:**

Architectural screens shall be quality screens as manufactured by R. Lang Company, Visalia, California, and shall include all fitting pieces and hardware for a complete installation as hereinafter described.

2. **MATERIALS:**

- A. *SCREEN FRAMES* shall be extruded from aluminum alloy 6063-T5, and shall have a minimum wall thickness of .050. Screen frames shall be of the following dimensions: 1-7/8" x 1/2" — 1" x 7/16" (Other frames are available).
- B. *SPLINE* for the retention of wire cloth shall be vinyl plastic matching the contour of the spline groove in the screen frame for maximum holding power. Spline shall be removable to permit replacement of wire cloth.
- C. *CORNERS* shall be solid in construction and shall be manufactured from the same material as the frame.
- D. *WIRE CLOTH* shall be BetterVue® Insect Screen. (Other types of wire cloth and shade screening are available; contact the factory for recommendations.)

3. **CONSTRUCTION:**

Corners of screen frames shall be mitred and assembled with solid aluminum corners.

4. **FINISH:**

Extruded screen frames shall be finished to the following specifications:

- A. Commercial clear (Satin) anodize
- B. Commercial bronze anodize

5. **PRICING:**

Call factory for quote – Have our inside sales representatives help you design your project!

Exterior Colors/Options:

White and Almond are in stock. Special exterior colors are available on request
Add color option required to part number above. (Example: KI3030WH)

WH = White AM = Almond TN = Tan SP = Special

Interior Colors/Options:

White Interior is standard on Special color exteriors

Black Bottom Pan is standard on Almond and Tan windows

Special Sizes Available:

Window is available in Rough Opening sizes between 2'0" x 2'6" and 6'0" x 5'0"

Special Order Form available (download at www.truframe.com/catalog)

NOTE: Customs unit cannot be cancelled or returned.

Glazing System/Options:

Low-E2 insulated top, and clear front & sides 3/4" IGUs are standard
Call factory for special glass and pricing. Single Glazing is not available

Adjustable Shelf System:

A Tempered Glass Shelf is standard. An Amplimesh Shelf is also available and can be substituted for a nominal fee.

Support Required:

Support Bracing is **STRONGLY** recommended on each end of the window. Support brackets are not included on windows under 5'0" width, but can be purchased separately. Brackets are located on page 71 for Aluminum Windows and page 79 for Vinyl Windows. Support Bracing is **REQUIRED** on each end of a window 5'0" width or greater & brackets are included (2 each) when window ordered meets or exceeds this width.

Building Codes vary greatly between States and Counties, and R. Lang Company **cannot be held liable** for knowing a customer's specific regulations or product application. It is up to the builder/contractor/architect to verify products are within compliance before order is placed.

NOTE: Vent operation will be limited for windows with a (RO) Rough Opening under 30"

(*) Denotes **STOCK SIZE** Skylights. All other sizes listed above are **NON-STOCK STANDARD** sizes.

SPECIALS SIZES are available, see Special Order Instruction Sheet for this section. Outside curb dimension does NOT include flashing.

See "Shipping Terms & Conditions" page for **RE-STOCK FEES** on returns. **SPECIAL SKYLIGHTS CANNOT BE CANCELLED OR RETURNED.**

Building Codes vary greatly between States and Counties, and R. Lang Company cannot be held liable for knowing a customer's specific regulations or product application. It is up to the builder/contractor/architect to verify products are within compliance before order is placed.

OPEN-AIR SKYLIGHTS are equipped with an aluminum wire screen and operator pole which will extend from 6 to 10 feet.

STANDARD HINGE LOCATION for rectangular Open-Air Skylights is on the short side. If a unit is to be hinged on the long side, this must be specified when ordering. Add \$60.00 list to prices above for specified hinge location.

ELECTRICAL OPERATOR - An electrically operated, 24-volt DC motor can be used with, or substituted for, the manual operator. Call Customer Service for more information regarding Electric Operators.

PACKAGING - All LO models are boxed.

See Packaging Chart located in "Shipping Terms and Conditions" to calculate Packaging Fees for orders shipping Common Carrier.

NOTE: Recommend a minimum 3/12 roof pitch for proper weeping. Flat roof installation NOT recommended and voids warranty.

SPECIFICATIONS:

1. MATERIALS

- 2.1 **ALLOYS** — Aluminum shall be commercial quality, free from defects impairing strength and durability. All extruded aluminum sections shall be 6063 T-5 alloy and temper.
- 2.2 **FRAME MEMBERS** — Main frame and cap shall be extruded aluminum and of sufficient strength to perform as designed. Main frame shall be at least 3" x 2-7/8". Cap frame shall be 2" x 1-3/4".
- 2.3 **DOMES** — All domes shall be formed from acrylic sheet in proper thickness, either clear or colored. All acrylic shall be an approved plastic as defined in Section 5202 of the Uniform Building Code.
- 2.4 **WEATHER SEAL** — All members shall be weather sealed with a closed-cell polymer foam gasket which is coated on both sides with a pressure sensitive acrylic adhesive. This gasket shall meet or exceed AAMA #810.1-1977, and perform in such a manner as to withstand environmental break down and maintain an effective weather seal.

2. CONSTRUCTION

- 3.1 **ASSEMBLY** — Skylights shall be assembled in a secure and workmanlike manner. The frame members shall be of mitered construction, joined at each corner with a heliarc weld. One or two domes shall be separated by a weather seal, and clamped in place firmly by cap frame. The cap frame shall be anchored to the gutter frame with plated #8 x 1" Phillips flat head sheet metal screws at 12" OC maximum.

3. FINISH

- 4.1 **ALUMINUM** — All frame members shall be mill finish or commercial bronze paint, and shall meet standard quality specifications of the industry.

SPECIALS: Specials are available. Add \$40.00 list to next largest size. **CUSTOM UNITS CANNOT BE CANCELLED OR RETURNED.** Building Codes vary greatly between States and Counties, and R. Lang Company cannot be held liable for knowing a customer's specific regulations or product application. It is up to the builder/contractor/architect to verify products are within compliance before order is placed.

NOTE: Due to the thermo-forming process, domes 48" or larger will have some shrinkage which can be eliminated by applying downward pressure when installing.

Nominal "call out" size = Actual dome size or flange-to-flange dimension.

All replacement domes are available in single or double dome configuration. Replacement domes are designed for use with Tru-Frame® skylights. All replacement domes are polywrapped – See [Packaging Chart](#) located in "Shipping Terms and Conditions" to calculate Packaging Fees for orders shipping Common Carrier.

Dome colors available are CLEAR, WHITE or BRONZE. Specify dome color(s) as follows:

DOUBLE DOME

CC = CLEAR over CLEAR
BC = BRONZE over CLEAR
WC = WHITE over CLEAR

SINGLE DOME

C = CLEAR
B = BRONZE
W = WHITE

TRU-FRAME® SKYLIGHT FLASHING

The pitch or down-slope side of the curb ("C" to "D" dimension) determines the number of 12 inch step flashing needed for installation. For example a Tru-Frame® LC2448 model skylight would be a 48" pitch down-slope and would require 8 steps per installation.

The top and bottom measurement of the curb ("A" to "B" dimension) determines the size of the flashing. For example, a Tru-Frame® LC2448 model skylight would require a 24" saddle flashing kit to fit an outside curb 25 1/2".
